**MESSAGE OF CONGRATULATIONS  
ON THE 95<sup>TH</sup> ANNIVERSARY OF KKE**

**Dear comrades :**

**The Partido Komunista ng Pilipinas (PKP-1930) sends warmest fraternal greetings to the Communist Party of Greece (KKE) on the occasion of its 95<sup>th</sup> Anniversary, which will be celebrated with a massive central political event in Athens on Sunday, December 8, 2013.**

**We highly appreciate the KKE's unceasing efforts and unyielding struggle, over the past 95 years, for democracy and socialism in Greece and throughout the world. We remember the KKE's heroic battles against fascist occupation, cruel dictatorships and the US-UK military intervention, and we pay homage to the martyred KKE combatants. Today, the KKE continues to serve as the vanguard of the Greek workers and people in the struggle for liberation from capitalist exploitation.**

**We particularly salute the role of the KKE in initiating and helping to develop the framework of the annual International Meeting of Communist and Workers' Parties, after the tragedy which befell the former USSR and the former socialist community. We also salute the KKE for its positions staunchly defending Marxism-Leninism against left and right revisionism, for its clear proletarian positions advancing the socialist revolution as against all forms of reformism and opportunism.**

**Finally, we salute the constant efforts of the KKE in forging the international unity and solidarity of all Marxist-Leninists, which is most important today in frustrating imperialism's latest economic and military offensives.**

**Please accept our congratulations on your 95 years of struggle for national freedom, democracy and socialism.**

**With communist greetings,**

**ANTONIO E. PARIS  
General Secretary**
